Dedication

The dedication of the yearbook is something very special to every senior class. During our four years here, there are many individuals who have helped us, but above all there is one who has shown genuine dedication to every senior class.

As our teacher, yearbook advisor, and personal friend, she has shown a true interest in each and every one of us. Her devotion to her job with long hours of work has, too many times, gone unrecognized. Patience, warmth, understanding, and a willingness to help are an everyday part of her life. It is these characteristics that have helped to prepare us for the world we will face after graduation.

The class of 1975 wishes her all the love and happiness of which she is so worthy. With great pride and honor, we dedicate this 1975 Spartan to

MARY R. YOUNG

Our Thanks

We paused in the midst of a busy school year to offer our thanks to a very special person, who left her desk to join the ranks of retirement.

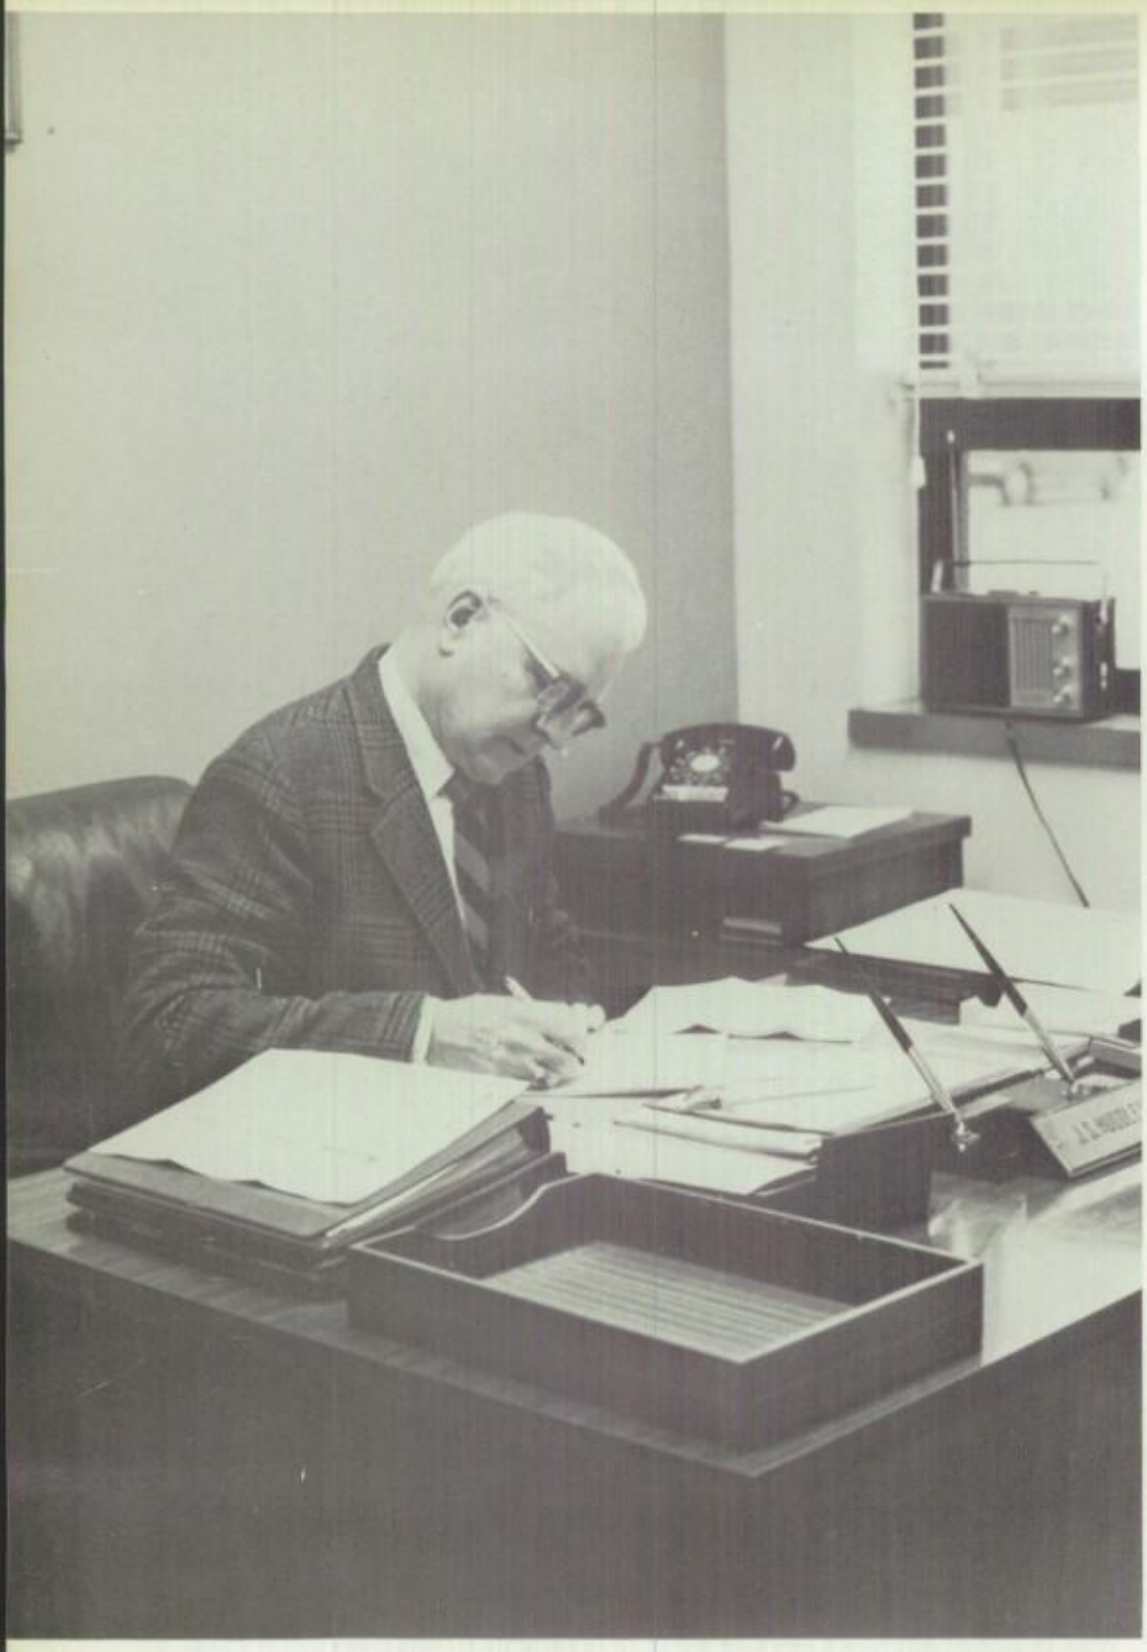
Our thanks tried to express all the thoughts we felt when this kind, wonderful and thoughtful lady decided to terminate a long and distinguished career in our school community.

Our thoughts recalled her good fellowship; her quiet, patient perseverance; her ability to invest so much of herself into her work. Her experience and wisdom frequently eased the anxious student, the questioning parent, the discouraged teacher, and the busy administrator.

Her example will be difficult to follow, but we shall try to remember what it means to have that sound and heartfelt compassion for the other person.

With this same affection, we give our thanks, once more, to VIOLA GRONEMEYER who has shown us all, how to be genuine.

From all of us -
White Mountains Regional High School



Principal's Message

Now that your high school career is coming to an end, may I take this opportunity to congratulate each member of the Class of 1975. Your graduation represents another milestone in your life, with many lessons learned and many accomplishments realized. I sincerely hope, that the tools given you by the School, will successfully bring you to your next goal, as you go on to further education or out into the world of work. How well the School has done its job of providing you with saleable skills for the future, will be determined in part, by your future success. All of us who have had the privilege of working with you in School will always be interested in your future endeavors and stand ready to assist you in any way possible with your future goals. The services of this School do not end with your graduation but will continue on as long as you need them.

The best of luck to each of you!

That no other ear may hear.
Walking alone on a gravel road

Through the corridors asleep
Past shadows dark and deep
My mind dances and leaps in confusion
I don't know what is real. I can't touch what I feel
And I hide behind the shield of my illusion.

Just let me do
What you put me here to
Let me be what you want me to be
And I hope it'll cheer you
I'm listening, and I think I can hear you.
Even when I thought I didn't believe
You believed in me
And everyone is a part of you
And anyone can know you
All they've got to do is be
I'm listening, and I think I can hear you.

Our lives have yet to meet their horizon.
Our mind is the key to happiness.
To find happiness we must overcome the blindness to our faults,
find an inner peace and solitude,
recall fond memories,
and feel humble to our mother earth.

Hospitality

The Hospitality Class of this year has tried a new approach to the services that they have offered annually. We have tried to intensify our image, dealing as much as possible with food and food service. We have added new items to the menus that we offer and have taken on a new name: The Snack Bar and Catering Class. We feel that this title describes ourselves more fully.

Our Snack Bar was divided into four terms, with four students operating it each term. The first four students in the Snack Bar were Tim Cantin, Linda Forbes, Bruce Hodgdon, and Bill McDonough; second term Mary Edelmann, Andy Foss, Becki Hughes and Randy White; third term DeeDee Bernier, Phil Buteau, George Gray and Randy White; fourth term DeeDee Bernier, Phil Buteau, Mary Edelmann and Sharon Vendt.

The Snack Bar was a self-sufficient enterprise, run completely by the students and supervised by instructor, Mr. Dave O'Brien. The Snack Bar was set up as a learning experience combining cooking, management skills and customer relations. We feel that it has been a very worthwhile project.

We have catered meals, large and small, at school, or in the building of the customers' choice. For example, we catered a Kiwanis Club dinner, a Supervisory Union Luncheon, the annual Thanksgiving dinner, the Variety Show, the annual Christmas dinner, the White Mountains Education Assn. dinner, weddings, the Exchange concert, the Pops Concert, the Business and Professional Women's Assn. dinner and many, many more.

The profits from these dinners go toward the yearly trip to the Boston Hotel/Motel show. We feel it has been a very good year.

- Mary Edelmenn

Cross Country

The Cross Country Team started training two weeks before school. This was under direction of Pat Kelly. Many freshmen came out for cross country this year and helped make a very strong team. These Harriers will carry the team a long way in the next three years.

During the last two years this school has experienced the two best seasons ever for this sport. Both years WMRHS has finished runner-up in the Class M State Meet in Durham, NH. Next year this team could be Class M State Champs. This year we had to compete against 10 other high schools. The top seven Harriers from each team ran. Out of the seventy-seven runners WM took these spots - 5, 9, 10, 11, 13, 16, 21. We also ran in two Invitational Races. The first one was the Hollis Invitational, and we placed third - and the other was the Littleton Invitational, and we finished runner-up to Littleton. Every year our team is getting stronger and next year we will get Littleton, and the States. We lost to Littleton by only one point. This year's team is losing seniors: Mike Fahey, Wayne Yunghans, Tom Delgado, Reg Pierce, Mark Saffain, and Dave Thurston. We are expecting Kevin Fearon, Tim Johnson, and Joe Ingerson to fill these spots.

Most of the credit has to go to Pat Kelly, the coach. We seniors of 1975 wish to thank him for his time before school, after school, and on weekends, and we also would like to thank Mrs. Kelly for her patience.

Varsity Soccer

The 1974 edition of the Spartans soccer team began the season as somewhat of an unknown group. However, it became apparent that the Spartans were perhaps the most skilled group of players to come from this school in quite some time.

After trouncing their first two opponents, the Spartans went into a slump and played inconsistently throughout the regular season. Fortunately they reached their peak just in time for the play-offs. In the first play-off encounter the Spartans were 5 to 0 victors over an outclassed Woodsville team. The next match was against a strong Hanover team, a team that had already beaten the Spartans twice. White Mountains turned the tables this time as they eked out a slim 1 to 0 victory.

The semi-finals brought a highly respected Kearsarge Club as the Spartan's foe. The first game saw two teams of equal talent battle through a full game and six overtime periods only to produce a tie, thus causing the game to be replayed. The second game saw White Mountains dominate play from beginning to end. The two clubs again battled through four quarters of play along with six overtime periods with neither team able to register anything on the score-board. After the smoke had cleared, it was discovered that Kearsarge, despite being outplayed, had two of those things called corner kicks. Thus they were chosen to move on to the finals. Incidentally, Kearsarge won the State Championship on corner kicks also. Seniors who played their last season for White Mountains are as follows: Doug Kilby, Jeff Gilman, Roger Emery, Andrew Foss, Ray Bailey, Barry Moore, Pete Stinehour, Tony Desjardins, John Spaulding, and Jerry McGee. As one observer stated, "It just wasn't in the cards for these seniors to bring home a championship trophy." Let's hope next year's seniors have a new deck of cards to play with.

Junior Varsity Socce"

For the past three seasons the Spartans have been undefeated. The JV's started the season on the right foot by winning their first three games. After a very well-played game against Hanover, they went up against a big and tough White Mts. School of Littleton and lost in a hard fought game. The Spartans went on to win the remaining games. The biggest game was left for last. It provided a chance for the JV's to seek revenge. It was Littleton's homecoming, plus it was Coach Pallaria's birthday. The first period went back and forth with both teams having their chances. Finally in the second period, the Spartans broke on top when Parker Bond slipped the ball past White Mts.' goalie. Then in the fourth period Paul Arsenault put the game away. Goalie Pete Dubreuil came up with the big saves when the team needed them. Only four goals could be put by Pete all year long. Opponents could not outmaneuver fullbacks Mike Moyer, Al Frasier, Brian Cliche, and Skip Eastman. Halfbacks Herb Boynton, Charlie Clauss, Shawn Hicks and John Landroche did all the dirty work for the line. The line kept the opposing goalies very unstable by scoring 23 goals in just seven games. Those blistering shots came from Parker Bond five goals, Steve Arsenault four, Dave Sanborn four, and Tom Foss four. With ten Seniors leaving, the upcoming JV team should contribute greatly.

Varsity Field Hockey

The White Mountains Field Hockey Team, led by captains Kathy Hilliard and Joanne Beaton, ended their season with a record of 4-4-4. This year, for the first time, the WM girls crushed the Crusaders 4-1 at Littleton. The team also defeated the Groveton Huskies 2-1 in the last game of the season. Both teams were tied 1-1 at the end of the regular game. A 5-minute overtime period was played, resulting in another victory for WM. At the end of their season, the girls took on a team consisting of courageous teachers. Even with 14 players for the teachers out on the field, the score was tied 2-2 at the end of two 5-minute overtime periods. Playing for their last year were seniors: Sandra Farnsworth, Joanne Beaton, Kathy Sanborn, Kathy Hilliard, Judy Glidden, and Judy Farnsworth.

This year's J.V. Hockey Team proved to be the best yet, although they had a record of 2-5-2. The girls displayed a lot of talent and should contribute greatly to next year's team.

The 1974-75 Spartan Wrestling Team finished with a disappointing 6-7 duel meet season, losing to Manchester West by two points and traditional powerhouse Timberlane by three points. However, the wrestlers distinguished themselves at the State Tournament as Fadden, Clauss and Yunghans captured second place titles and Jackson captured third. White Mountains finished a respectable fifth, only 4# points out of fourth. Charlie Clauss became the first freshman from White Mountains to place in a State Tournament.

Next year will be a building year for the Spartan grapplers, as coaches Hoverman and Kelly look for young wrestlers to replace this year's eleven graduating seniors.

1974-75 Cheerleaders

Cheerleading is an essential part of a school's spirit - and so it is at WMRHS. The 1974 Fall Sports Varsity Squad under Captain Pam Boynton had a very successful season cheering for Varsity Soccer and the Cross Country Team. The 1974-75 Winter Sports Varsity Squad under Captain Carol Falkenham displayed liveliness and vitality both on the sidelines and in floor cheers during the basketball season. One asset to the school's spirit is Diane Merrow, Miss Spartan.

The Junior Squad, with Jean McGinley as Captain and Elise Duvernay as Assistant, showed a great deal of spirit cheering for the Girls' Varsity and Boys' Junior Varsity Basketball squads.

Boys' Varsity Basketball

This year's Spartan Basketball team had something to prove following last year's dismal showing in which they could manage only one victory. With practically the same team as last year, the Spartans cruised to a record of 10 wins and 8 losses under first-year Coach Bob Butson. This performance was good enough to earn them a spot in the Class "I" tournament at UNH. Running into a strong Somersworth ball club, the Spartans were eliminated from further tournament play as they lost by a narrow margin of 59 to 53.

Highlights of the season were wins over arch-rivals Littleton and Woodsville along with the spot they earned in the tournament. All of these have been few and far between in WMRHS basketball history. Seniors who will be lost to next year's squad include George Gray, Jeff Gilman, Doug Kilby, Barry Moore, John Spaulding and Roger Emery.

GIRLS' VARSITY BASKETBALL

The 1974-75 Girls' Basketball Team had a very successful season. This year's team exemplified a lot of hustle, teamwork, and quickness, ending their regular season with an 11-2 record. Their only two losses were against a powerful Berlin team. The Spartans made it to the tournament in a comfortable 8th position, then went on to defeat Fall Mt. by a score of 42-39. In the second round, the Spartans found themselves matched up with undefeated Berlin. The girls played their best game of the year against Berlin, but their best was not good enough as Berlin won 52-37. Playing their last High School basketball games were: Co-Captains Kathy Hilliard and Joanne Beaton; Kathy Sanborn and Fonda Wheeler. The team would like to thank Coach Colborn for this prosperous season, and extend our appreciation to Mr. Butson for assisting us in her absence.

GIRLS' JUNIOR VARSITY BASKETBALL

This year's JV Girls' Team ended their season with an 11-2 record, losing to Berlin both times as did the Varsity Team. Total effort was put out by all the members of the team. Several of the players performed exceptionally well and should be playing on the Varsity Squad next year. Playing for her last year was senior Judy Glidden.

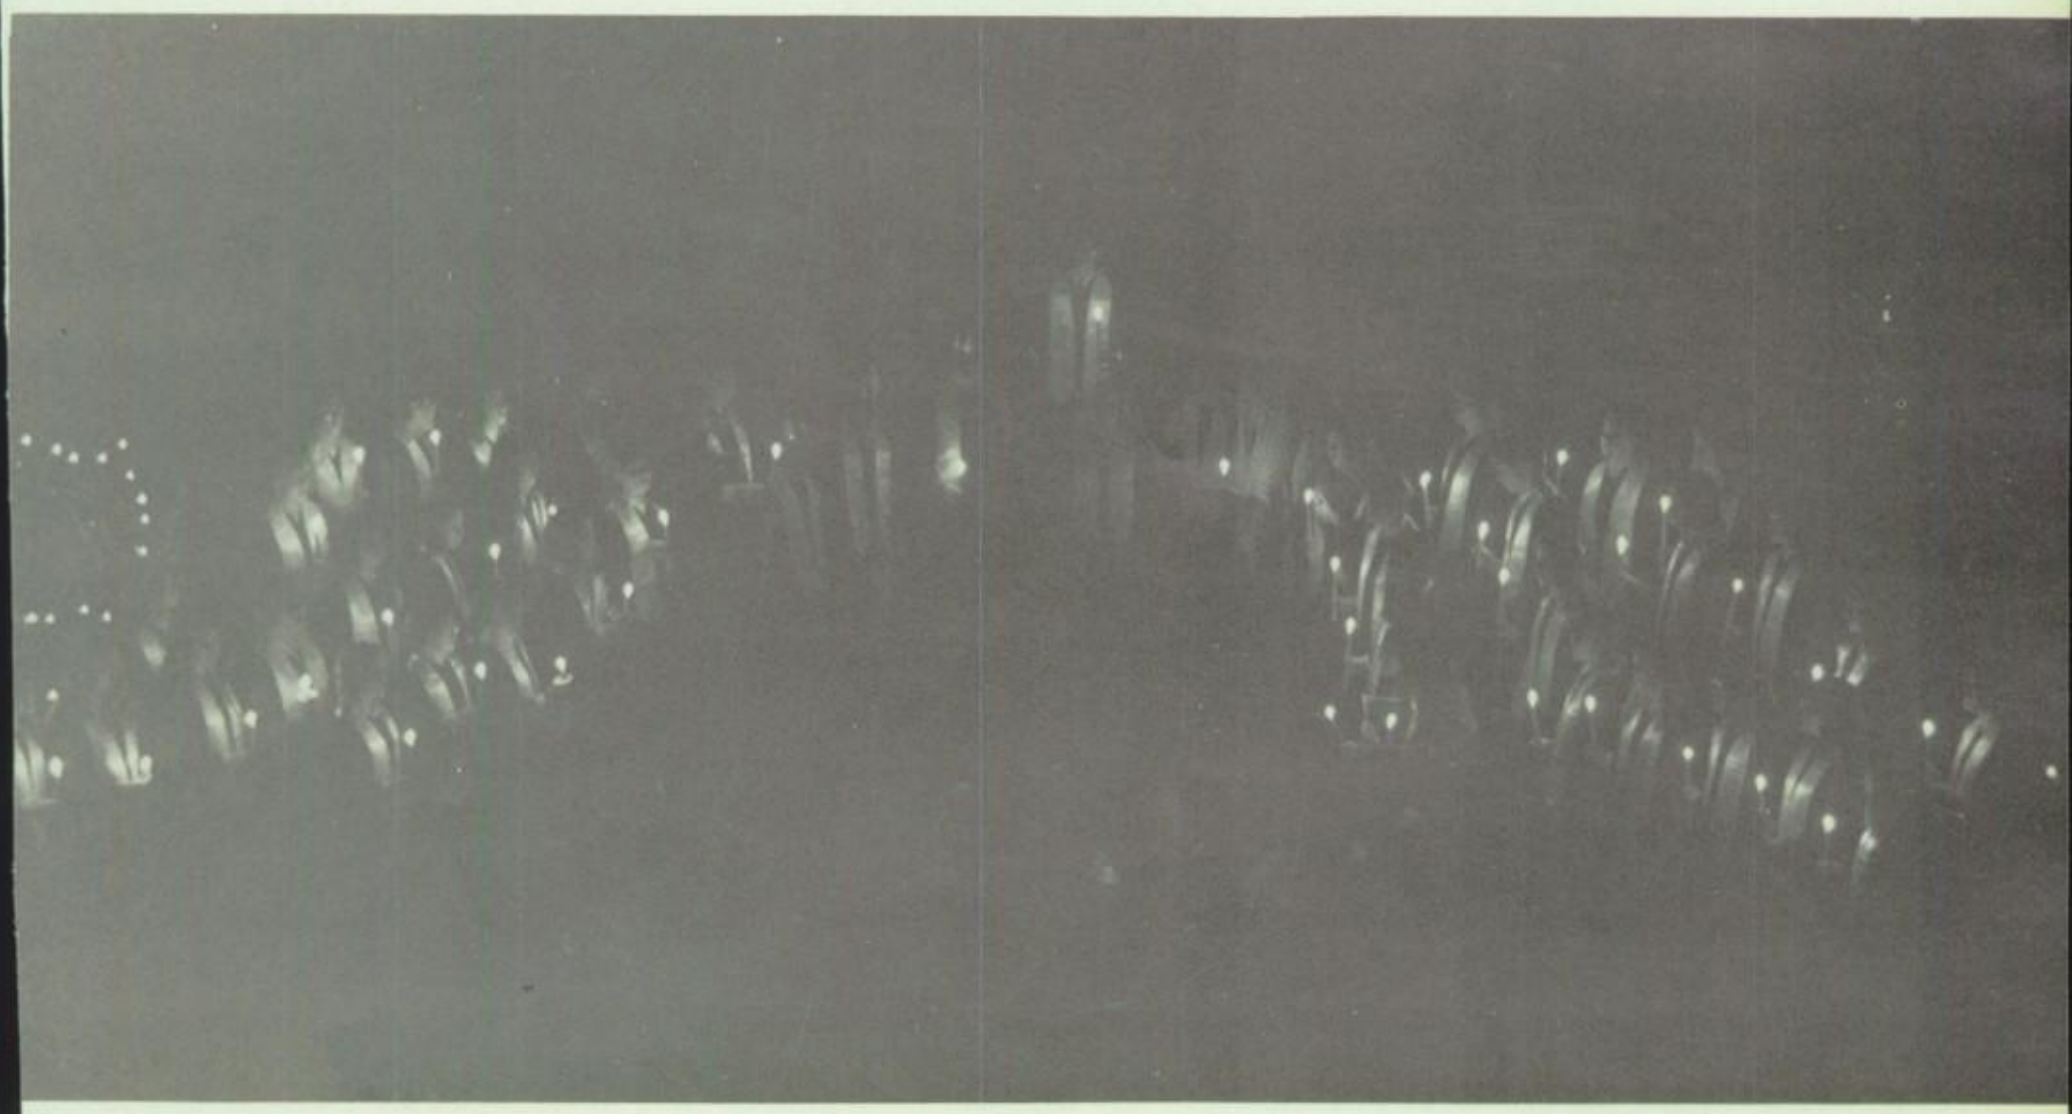
Christmas Concert '74



Candlelight Processional

Domenic Pallaria, Band Director

The Music Department has had another busy year of work and performances. As in the past, the band started the year off in August by performing at the Lancaster Fair. The Pep Band supported the Soccer and Basketball Teams at all the home games throughout the year. In October the Stage Band and the Madrigals performed at the Annual Fall Foliage Concert in Twin Mountain. At Christmas time the annual concert was well received.

The second annual "Pops" Concert was held on March 21 to a capacity crowd. Unable to find a combined band-chorus exchange this year, the Band went to Rockland, Maine and hosted the Rockland musicians here in May. The Chorus accepted an invitation to perform at the first Mount Washington Valley Choral Invitational Festival.

The Chorus also placed five members in All-State and both Band and Chorus members from WMRHS participated in the North Country Festival held in Berlin. Graduation on June 20 concluded the year's performances for both the Band and the Chorus.

"Doing to Learn"

OFFICERS: E. Gilbert, D. Bronson, K. Conway, D. Cantin, S. Noyes, M. Smith.

1974-75 was a very busy year for the FFA Abneki Chapter. Our annual Chicken Bar-B-Que was held in October. This was followed by a citrus fruit sale. The Chapter has two State Officers this year: David Cantin, First Vice-President and Kevin Conway, Treasurer. They, along with David Bronson and Paul Davis traveled to Kansas City, Mo. in October to attend the National FFA Convention. This year all three Recreational Agriculture teachers, John Holmes, Millard Martin and Eric Waleryszak worked with the FFA. Several members attended the State Convention. We participated in the Parliamentary Procedure Contest and members entered other contests including Public Speaking and Creed Speaking.

Forbush, A. Grondin, M. Paquette, Mrs. Packard, A. Boutin, K. Doolan, C. Boutin, L. Morrissette, E. Bilodeau. ABSENT: T. Wheeler, E. Phillips, M. Sweeney, L. Lyon.

The WMRHS FHA Chapter started an unforgettable year with Marcia Wright being elected State Vice President. Four girls from our Chapter, Terri deVillafane, Cindy Morrissette, Marcia Wright and Doreen Forbush, went to the National Convention in Chicago. Doreen was a candidate for a National office. She was second in the election for our region but upon returning home found by a quirk of fate, she had been appointed to the office. Now White Mountain has its first National FHA officer!

Although we have been very busy on the State and National levels, our accomplishments have also been many on the local level. We have done things, big and small, from handing out lollipops to contributing to the Heart Fund, Toys for Tots, and sponsoring a Foster Child. One of our basic goals is for each individual to experience personal growth. This year our theme has been "Reach Out and Touch." Everyone in the Chapter has been trying to work toward accomplishing this theme. We feel that we have succeeded.
